

Cindy Casey Holman, RN

My Morgellons Journey and the

Charles E. Holman Morgellons Disease Foundation

# Introduction

## Who am I?

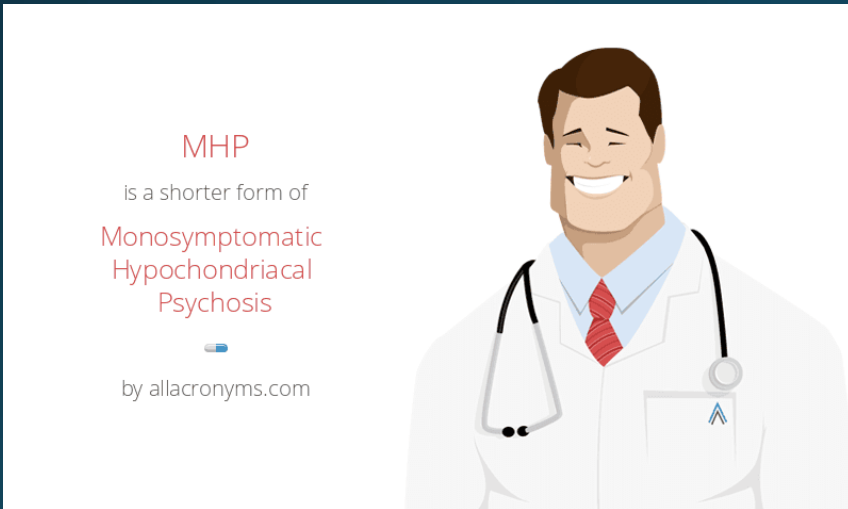

Critical care nurse

Patient

# My adventure with misdiagnoses

- Delusions of parasitosis
- Monosymptomatic Hypochondriasis
- Self-Mutilation
- Offered antipsychotic medication

# Discovery and Diagnosis

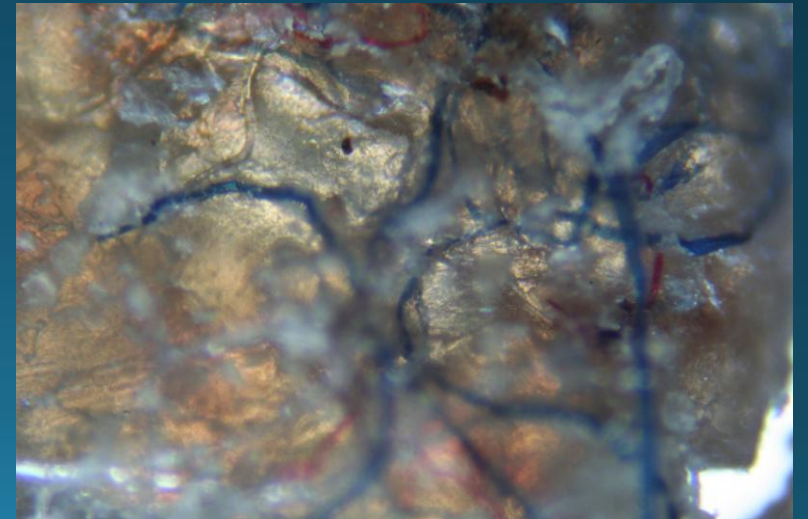

“In 2004 we drove 1500 miles to see Ginger Savely in Austin, TX”

Cindy Casey Holman

Dr. Virginia Savely

## Chronic Lyme Disease and Morgellons

# Finding True Love and Support

"the madness of two"

"I will get  
Morgellons  
disease  
recognized in my  
lifetime or I will  
have died trying"

Charles E. Holman

“ I said, 'This may end my career. But this is bigger than my career. The most important thing I'll ever do is get this recognized.' ”

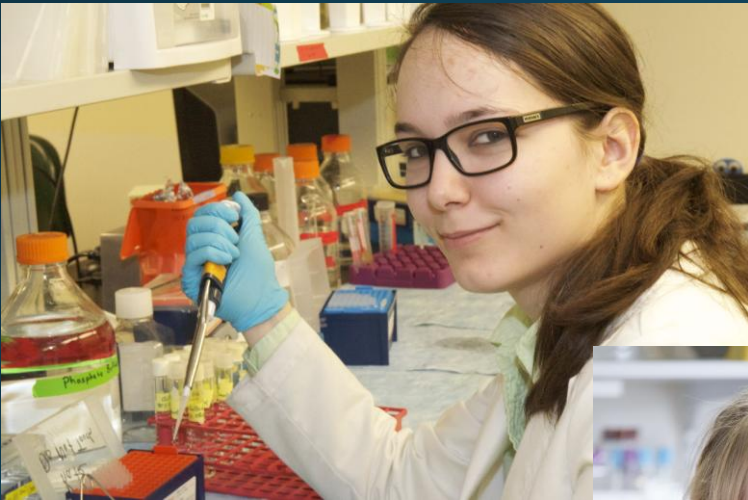

Cindy Casey

My path to  
Recovery
